Dear Avery,

Welcome to the Medical & Scientific Board of the National Spine Health Foundation! You are joining a distinguished group of the nation's top spine specialists.

With your impressive work in spinal health care, your insight is integral to furthering our mission of improving the lives of those who suffer from neck or back pain. We will benefit from your knowledge as we aim to educate Americans about treatment options and preventative techniques to advance spinal health and wellness.

Thank you for bringing your expertise and leadership to the Medical & Scientific Board. I will be in touch soon to plan a Board meeting which will occur over zoom. In addition, we are actively developing our Spine-Talks programs and I look forward to your participation.

Together we are the authoritative voice on spine health.

Sincerely,

Thomas C. Schuler, MD, FACS
Chairman
